BARS ROAD BUILDING

Hogans Ruling Causes Wait in Wood County.

Something like a bombshell has been thrown into the midst of the county commissioners of Wood county, Auditor Stinebaugh and the people who have been wanting stone roads.

This bomb is an opinion, a copy of which has just come to Wood county, which Attorney General Hogan in forms the auditor of Wvondot county that, in his opinion, the levy for stone roads, plus the levy for other township purposes, must not exceed two mills under the provisions of the Smith law. It regards it as immaterial that the total levy does not reach the 10 mill limit, since a clause of the Smith law expressly forbids the levying of more than two mills for township purposes. The attorney general considers stone roads in that class.

The result of this in Wood county will be far reaching. The county commissioners had 15 roads the improvement of which they had expected to let this spring. In addition to this there were others which they would probably have contracted for during the summer.

Five roads which were sold last week are halted by the decision, and the bonds have been returned to the contractors. The county engineer will need only a small force this summer instead of the big one which was anticipated.

The reason is that, apparently, the majority of the townships cannot be levied upon for new stone roads with out exceeding the two mills. Almost all of them did have this limit exceeded for the tax of 1911-12. There will be great disappointment among property owners, while the auditor and commissioners regret to have the hopes of the people go unrealized.

SENATORIAL CONVENTION

Democratic Senatorial Committee Fixed the Place and Date.

The Senatorial committee of the Democratic Party for the 33rd senatorial district met at Bowling Green and decided upon Ottawa as the place and August 9 as the date for the convention to choose a candidate for State Senator.

It is very evident that the work will be easy and short as H. R. Dittmer, of Napoleon, is the present Senator and will very likely be a candidate for renomination.

The manner of choosing delegates will be left to the controlling committee of each county and will be apportioned one to every 100 votes polled for Governor Harmon. This gives Wood county 50, Hancock, 45, Henry, 32, Putnam, 43, and Fulton, 20.

Chamberlain's Cough Remedy has won its great reputation and extensive sale by its remarkable cures of coughs, colds and croup. It can be depended upon. Try it. Sold by all dealers.

Answered Master's Call.

On Sunday morning, March 24, 1912, Miss Helen Danz passed to the great beyond, after an heroic struggle with illness with which she was a great sufferer for nearly two years.

Miss Danz was the daughter of Mr. and Mrs. Rudolph Danz and was born in Perryburg, April 15, 1879, and was 32 years, 11 months and 21 days old at the time of her death.

She was a graduate of the Perryburg High School and taught in the Perryburg and Dowling schools for several years. She then took a course in nursing at the Toledo Hospital, but gave up the work on account of ill health, but later completed a course at the Maternity Hospital and received a diploma.

She then accepted a position as Librarian of the Way library of Perryburg, then with the Perryburg Banking Company as assistant Cashier, but for the past two years has been a private nurse in the office of Dr. Hubbard in Toledo.

Her illness necessitated an operation from which she partially recovered but was compelled to submit to another operation from which she seemed to recover and had hopes of being restored to health but a sudden change occurred and after a week of intense suffering death came to her relief.

Miss Danz was a member of the First Westminster Presbyterian church of Toledo, had always lived a devout christian life and passed away with a smile indicating her resignation and belief in a happy future beyond the pale of sorrow and suffering.

During her life she had cultivated a cheerful disposition that had made her a favorite of all who knew her and her departure is deeply regretted by many.

With her parents she leaves four sisters—Mrs. Geo. Cornelius, Mrs. Geo. Roether, Mrs. James Scott, Miss Laura Danz and one brother, Harry Danz to whom deep sympathy is extended for their loss.

The funeral services were conducted Tuesday at the Evangelical church in Perryburg, by Rev. Otto Spring of Bucyrus, Rev. A. H. Hilsman, of First Westminster Presbyterian church of Toledo, assisted by Rev. Lowry and Rev. Zachman, of Perryburg, and the remains were placed at rest in Fort Meigs cemetery.

It was well I did, for today I am working and believe I owe my life to this great throat and lung cure that has cheated the grave of another victim."
